If the dispute is not resolved within seven (7) days of that meeting, the managing directors, chief executive officers or equivalent of both parties will meet to resolve the dispute. If the dispute is still not resolved then either party may commence court proceedings in relation to the dispute. Either party may commence court proceedings relating to any dispute arising from the agreement at any time where the party seeks urgent interlocutory relief.

- (i) **Amendment must be in writing.** An amendment to this User Agreement is only effective if agreed in writing by the parties.
- (j) **No waiver.** No waiver of a right or remedy under this User Agreement is effective unless it is in writing and signed by the party granting it. - (l) **Counterparts.** The agreement may be executed in any number of counterparts, each of which, when executed, is an original. Those counterparts together make one instrument.
